

ALDHAM CHRISTMAS TREE FESTIVAL

Calling all things Aldham!

This Christmas, Aldham Church would love to fill the church with Christmas trees celebrating everything that makes Aldham such a wonderful village.

We're inviting clubs, groups, societies, businesses, organisations and community groups to supply and decorate a Christmas tree in your own unique style.

It's a chance to have some fun, get creative, showcase what you do and celebrate all that Aldham has to offer. 🌲 ✨

We'll gather together for a short **Christmas Tree Blessing** and **'Lights On'** moment on **13th December** when we'll officially begin our Christmas celebrations.

The church will then be open to everyone throughout the Christmas season — so come along, see the trees, bring your friends and family, and enjoy a little bit of Aldham Christmas magic!

Let's make Aldham Church sparkle with the people, groups and businesses that make our village special.

🌲 **Come and be part of it!** 🌲
